# VPX FRONT PANEL ASSEMBLIES

## IEEE 1101.10 COMPLIANT

FEATURES AND BENEFITS

- Full range of feature and performance options

- Standard 3U and 6U board heights available in 4HP, 4.25HP, and 5HP

- Metal or foam gasket options

- Overlay or silkscreen

- Full range of handle options

- Maximum face area available for I/0 features

- Hot swap switch option
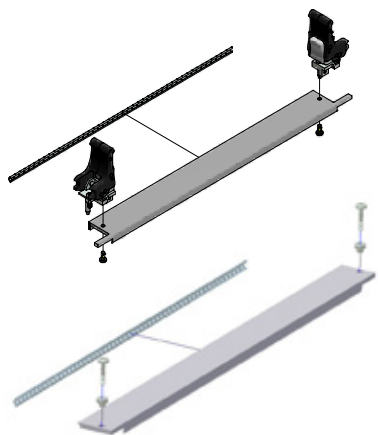

STANDARD ASSEMBLIES AND COMPONENTS

3U ASSEMBLY

Front panel with clear chromate finish
Bottom ejector with panel screw
Hot swap switch (optional)
EMI gasket (metal or foam)
Screw sleeve
Fastening screws (2)
PCB board mount with fastening screw

Filler panel with clear chromate finish
EMI gasket (metal or foam)
Screw sleeves (2)
Fastening screws (2)

6U ASSEMBLY

Front panel with clear chromate finish
Bottom ejector with panel screw
Top ejector with panel screw
Hot swap switch (optional)
EMI gasket (metal or foam)
Fastening screws (2)
PCB board mount (optional)

Filler panel with clear chromate finish
EMI gasket (metal or foam)
Screw sleeves (2)
Fastening screws (2)

DT Ejector
Aluminum Extrusion

VPX Ejector
Aluminum Extrusion

Metal EMI Gasket
Stainless Steel cut to length

Foam EMI Gasket
Fabric over foam cut to length

4HP = 19.9mm
4.25HP = 21.3mm
5HP = 24.9mm

3U = 88.90mm
6U = 222.25mm

3U = 122.50mm
6U = 255.85mm
